REQUEST FOR RECONSIDERATION OF
PATENT TERM ADJUSTMENT
DETERMINATION

Mail Stop Issue Fee
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Pursuant to 37 C.F.R. § 1.705(b), Applicants respectfully request reconsideration of the patent term adjustment determination. This request is accompanied by the fee set forth in §1.18(e) and a statement of facts as required under 37 C.F.R. § 1.705(b)(2).

Based on the explanation that follows, the correct patent term adjustment is believed to be 1,451 days, not 684 days as stated on the Determination of Patent Term Adjustment under 35 U.S.C. § 154(b) mailed on April 8, 2009.

Statement of Facts

Correct Patent Term Adjustment and Bases Under §§ 1.702, 1.703, and 1.704 for the Adjustment

The period of adjustment under 37 C.F.R. § 1.702(a) is 990 days ("A delay").

The period of adjustment under 37 C.F.R. § 1.702(b) is to be determined when the instant application issues. The effective period of adjustment as of the mailing date of the Notice of Allowance under 37 C.F.R. § 1.702(b) is 1,085 days (“B delay”).

The period of overlapping days over the period of adjustments under 37 C.F.R. §§ 1.703(a)-(e) is 318 days.

The period adjustment under 37 C.F.R. § 1.704(a) is 306 days (“applicant delay”).

The relevant dates as specified in 37 C.F.R. §§ 1.703(a)-(e) &
the adjustment specified in 37 C.F.R. § 1.703(f)

1. § 1.703(a)

Applicants are in agreement with the USPTO determination of a period of adjustment of 990 days under 37 C.F.R. § 1.703(a). (*See* Exhibit A, attached hereto).

Applicants respectfully request an additional period of adjustment equal to the number of days, if any, in the period beginning on the day after the date that is four months after the date the issue fee was paid, May 13, 2009, and all outstanding requirements were satisfied and ending on the date the patent was issued. *See* 37 C.F.R. § 1.703(a)(6).

2. § 1.703(b)

The period of adjustment under 37 C.F.R. § 1.702(b) begins on the day after the date that is three years from the filing date of the instant application, February 21, 2005, and ends on the day the patent is issued.

The period of adjustment does not include the period beginning on the date on which an RCE was filed, February 11, 2008. *See* 37 C.F.R. § 1.703(b)(1).

Thus, the effective period of adjustment under 37 C.F.R. § 1.702(b) is 1,085 days, *i.e.*, from February 21, 2005 to February 11, 2008.

3. § 1.703(c)-(e)

There are no relevant dates as specified under §§ 1.703(c)-(e).

4. Calculation of Overlapping Days under § 1.703(f)

There are 318 days in the overlapping periods under §§ 1.703(a)-(e). The overlapping period is from February 21, 2005 to January 5, 2006.

Applicants request that overlapping periods be determined in accordance with *Wyeth v. Dudas* (Case No. 07-1492, D.D.C. 2008). The periods of delay under 35 U.S.C. §154(b)(1)(A) and 35 U.S.C. §154(b)(1)(B) overlap only if they occur on the same calendar day or days.

As discussed above, Applicants respectfully request an additional period of adjustment equal to the number of days, if any, under 37 C.F.R. § 1.703(a)(6). Any such period of adjustment under 37 C.F.R. § 1.703(a)(6) begins on May 13, 2009 will not overlap with a period of adjustment under 37 C.F.R. § 1.702(b) which does not include the period beginning on February 11, 2008.

Reduction of period of adjustment of patent term under 37 C.F.R. §1.704

Applicants are in agreement with the U.S. Patent and Trademark Office determination of an adjustment of 306 days under 37 C.F.R. § 1.704(a).

Patent Term Adjustment Determination

Applicants are entitled to 1,451 days of patent term adjustment, *i.e.*,
[(A delay (990 days) + B delay (1,085 days) – overlap (318 days)) minus [306 days (applicant delay)] under 37 C.F.R. § 1.703(f). Applicants are also entitled to any period of adjustment under 37 C.F.R. § 1.703(a)(6).

Terminal disclaimer

No terminal disclaimer has been filed.
